A message from the Chair...

The Sarasota County Democratic Party is committed to supporting local candidates who champion equality, justice, and progress. When you support Democrats, you play a crucial role in advancing our shared values. In August, we have the chance to elect School Board Members who will work to protect kids and our public schools. Help us elect Liz Barker and Tom Edwards now! Remember to vote in November for races from President to the Hospital Board, which will make a huge difference in our community.

Daniel Kuether
